Dear Ms. Gillet, the Larchmont Golf Course is owned by the County of Missoula, not the City of Missoula. If you want your public comment to be heard by the decisionmakers, please send your email to the County of Missoula.

Sincerely,

Subject: Larchmont Golf Course

I cannot understand why the city even considered selling the golf course for a Huge Development when we, the residents of Missoula, will lose the only Green Space we have on Reserve St and that area of the city. And, what do we get in exchange, land on the other side of the river. Will there be enough room for a golf course on that property or will that also go for affordable housing? I do understand the need for affordable housing but why Larchmont? There is other land available in Missoula!!
I hope you will seriously consider the negative outcome of this proposal.
