Subject:	One kind of LED Strip for your design
Date:	Tuesday, November 17, 2020 12:48:21 PM

Hi,

We believe Win-Win **situation.**

We , Lighting company have been doing the business of the led strip for more than 12 years.
The longest cooperation with one of our important USA customers is more than 10 years.
Quality is the basic requirement in our company, we pursue for long time cooperation's customer more than just on time order.

Our major products is LED strip which including following 4 parts:

NEON led strip---waterproof can use outside
Addressable led strip---many colors for making fantastic world
High CRI led strip---let you see the real color
Pixel LED bar---let you stage wonderful
COB led strip --- dot free type

The Main using area is : mirror light, furniture light, smart products, electric company OEM, ODM products, KTV, **designer,** home decoration, stages.

Looking forward to hear from you soon,
Best wishes,
Libby
