Subject: Support for Mount Dean Stone Trails
Date: Tuesday, November 17, 2020 11:48:37 AM

I would like to urge your support for the Mount Dean Stone Corridor proposal. One of Missoula's greatest assets is its land protection policies and its public spaces for recreational use.
My wife and I moved here last December from Billings, largely because of Missoula's open spaces policies. Please acquire the 350 acres of this proposal and support the completion of the High, Wide and Handsome Trail.

Thank you

Sincerely
John Battaglia
