Dear Manager,
I learn about you from LinkedIn. I very glad to introduce our company to you-**Kayou Mold manufacturer.**

Our company set up in 2002, which is **specializing in plastic molds**, we have Long-term cooperation with CITIZEN,

NIKON, BMW, Subaru and so on

Many years' experience on mold can bring you the best and professional service.

And more details you can check our website atwww.kayoutech.com.

Do you need to develop plastic molds for a new project recently?

Looking forward to you reply.

Best regards,

kevin
