Dear news professionals,

The City of Missoula invites the public to attend a virtual design charrette for the West Broadway Downtown Gateway Area next week, April 5-9. Envision West Broadway will gather big-picture ideas and comments from the Missoula community to help establish a long-term vision for the future of the area and how it should evolve in coming years. The project will build on the ideas of Missoula's Downtown Master Plan.

Project manager and redevelopment specialist Annette Marchesseault is available to discuss the upcoming event and master plan with news reporters. See our attached news release for more information, registration link and contact information.
