Good evening!

Today, I received additional attachments from items discussed at Wednesday's LUP meeting. Since Council isn't meeting next week, I wanted to let you know the agenda link from Wednesday's meeting has been updated to include the documents I received. The items updated were the Adopt West Broadway Community Master Plan and the Recreational Marijuana Ordinance. Below is the link for your convenience.

Since it will be a while, it seemed appropriate to allow you the option to review prior to the meeting on November 29th. Let me know if you have questions or other attachments to add.

Thank you,
