A note to say I strongly support the proposed ordinance to ban flavored tobacco products from the city that Dr. Kathy Rogers and others have worked so hard on. Dr. Rogers has laid out the case clearly in her Op/Ed in the Missoulian: https://missoulian.com/opinion/columnists/missoula-must-ban-flavored-tobacco-products/article_10443171-185d-5da6-9358-589a531866e3.html If strongly agree with her position and ask that you pass the ordinance to ban these products that can only harm our childre.
