Mayor and Council, Eran Pehan, Rikki Henderson,

John and ALL,

I immediately thought of Missoula when I saw the name of this "opinion piece" in a New York Time news email.

Want to Solve the Housing Crisis? Take Over Hotels.

Aug. 19, 2021. **JAY CASPIAN KANG**

He is a writer from Berkeley, California but I think touches on the very same "housing problems" Missoula is facing.
And worth the short read and you may see some of the same issues that we in Missoula (you folks) are facing, doing and talking about to solve our housing crisis.
