Subject: Vote Against Grant Creek Village rezone
Date: Sunday, June 26, 2022 9:32:37 PM

Hello,
Please do not vote for the rezoning of Grant Creek Village/Expo Park Way.

The concessions that Ken Ault is making are designed to persuade Councilors to approve his rezoning request. **This is nothing but lipstick on a pig!** Grant Creek residents oppose this rezoning, and don't really care much about whether the dog park meets American Kennel Club specifications, or whether the pool complies with DPHHS standards at Grant Creek Village. What we care about is that if this rezoning is approved, there will be 700-1000 RENTAL units (instead of ~500 of mixed types of dwellings under current zoning); at least 1500-2000 more residents; 1000-2000 more vehicles; and increased traffic problems, not to mention emergency evacuation and other serious problems.

Missoula needs more affordable housing, but not in this manner. Please value quality over quantity!

Thank you,
Molly Tingley
