> This morning, there was a man yelling indiscriminately in a threatening manner in Silver park.
> Upon walking along the river path in McCormick Park, I heard a woman being threatened in a tent along the rivers edge. I yelled a couple of times and said I was going to call the police. A man emerged putting in a shirt and a woman followed putting on a back pack and in a frightening voice yelled, I'm ok and they hurried away.
>
> This is an immediate problem in these parks and they are unsafe for the homeless and those not. You must do something now! Talk of long term solutions is fine, but you also need to take some immediate actions!
