MOTION: The Committee recommends that the City Council approve the request to extend the preliminary plat with a final plat submittal deadline of November 10, 2011.

Tim Worley gave a [power point presentation](#) to extend the final plat deadline for one year until November 10, 2011.

- Stonybrook Subdivision is an Orchard Homes subdivision and was approved for 43 lots on November 10, 2008.
- The basis for this request is the economic downturn of the market.
- Staff was in support of the one year final plat extension.

The floor was open for discussion.

1) Councilman Childers inquired what would happen if the extension was refused. Mr. Worley replied the final plat would expire. He discussed the various options with the applicant and suggested it was better to extend the final plat for a year and then decide later to continue or not.

2.) Councilman Wiener wondered about the status of the land. Mr. Worley responded that the land had multiple ownerships. The ownerships could be sold off and developed individually but that had not happened. Mr. Smith from WGM replied that there were three existing legally described lots that could be sold.

Councilman Childers made the motion to approve the final plat extension. The vote was unanimous and would go on the Consent Agenda.
