Subject: Public Comment re: Fort Missoula Development
Date: Saturday, September 23, 2023 9:38:24 AM

Dear City Council Members,

I oppose the development at Fort Missoula. The Missoula community gains nothing from the development at Fort Missoula. We don't gain affordable housing to help with the housing crisis. We don't gain historic value from restoring the hospital and developing it into a block of commercial buildings. We lose sensitive and important wildlife habitat and acres of open space. We lose a piece of our beloved community.

Thank you,
Margo Stoney
