**Summary Description and rationale of project and funding sources:**

MRA will begin implementing the URD III Bitterroot Trail Lighting Project. When combined with the URD II Bitterroot Trail Pine Street Project and the URD II Bitterroot Trail Lighting Project, the Bitterroot Trail will be lit from the northern terminus at Toole Avenue to the S. Reserve Street Ped Bridge in URD III. The trail segment from S. 3rd St. W. to 14th Street will be part of the URD III Bitterroot Trail Lighting Project and this infrastructure connection benefits both URD II and URD III. Upon approval by the MRA Board of Commissioners, the project will be funded with URD III Tax Increment Funds.

**History & Current Status: Impact if Cancelled or Delayed**

The lighting of the Bitterroot Trail has long been anticipated. Without the use of TIF from URD III the trail will not likely be lit in the foreseeable future.
